Would you like to learn the Bible  
on the mission field?

Would you like to receive the equivalent of a Bible  
College education in 7 weeks?

Call it a "crash-course" Bible education. Call it seven weeks for seriously minded, hard-working students who desire to learn the Bible while they serve the Lord at the same time on the mission field. Call it what you like. We call it an opportunity and consider our graduates head and shoulders above any normal 4 year Bible college graduate in reference to Bible knowledge. After teaching more than eight groups of Americans and Foreign nationals, Bro. Gerald Sutek and Bro. Brent Logan are offering their teaching to ground those waiting for a good opportunity to learn the Bible quickly. The cost of this Institute will be only the students transportation to Romania, food costs during the seven weeks, and any books the student may wish to buy. Lodging will be provided. THIS IS A ONE TIME OFFERING AND EVENT. There are no plans to repeat. If you are interested or have any questions, then please feel free to contact either Bro. Logan ([amministries@aol.com](mailto:amministries@aol.com)) or Bro. Sutek ([gsutek@streetpreaching.com](mailto:gsutek@streetpreaching.com)). Pastor recommendation requested for each student.
