

Luk 2:49 And he said unto them, How is it that ye sought me? wist ye not that I must be about my Father's business?

THE FATHER'S BUSINESS

Oh, my, the Father's business is the best business in the world to be involved in. You don't have to worry about sales volume...that's His business. You don't have to worry about downsizing, deficit spending, investments, gains and loses, hiring and firing...that is all His business. I just do what pleases the Boss and the Boss provides, leads, guides and rewards accordingly. However, it is a busy business if you dare to involve yourself in His business. I flew from Romania to Memphis on April 26 to do my part in the Beale St. Blitz. The meeting was great and all in attendance were edified, rebuked, instructed and blessed. We had about 10 saved on Beale St. some on their knees. The fellowship was the greatest...seeing many I have not seen in several years. Preaching was wonderful and when I preached I had great liberty. In the photos you will see some of those in attendance...to get them all in one photo was not possible (I would need a wide-angle camera). Some of the photos here are on the street. Ken and Frieda Lansing, shown here, are to be greatly rewarded for their organizational talents and especially their royal hospitality. They have been my friends now for 39 years and will be till the rapture.

Meanwhile, back in Romania...we had a new couple come (pictured here) and they both trusted the Lord as Saviour Sunday night...they have been faithful now for several weeks...we are thrilled...they have three small children so we now have a full SS program. Pray for Christie and Simona.

There is a new club in town and we are watching it...notice the name of the club "Heaven or Hell"...why do they have to choose this when they know nothing true about it. Also, for the past 7 years we have had no trouble with the Sodomites here in Romania. If they are here, they don't push themselves upon us and the citizens don't care. Well, thanks to the European Union, we had some billboards show up in Brasov. They picture a cute new-born baby with an ID bracelet. The words on the board say, "It's not a choice" "It's not a disease" and written boldly on the ID bracelet is "HOMOSEXUAL". We are gearing up for a confrontation with the group. Please pray.

I am in meetings in and around Staten Is. NYC for the next Sunday and Wednesday night (had a 50 year old man gloriously saved in service last night in Hamburg, NJ....GLORY) and then I fly to Philippines for a very important field trip to determine some vital information concerning our soon coming move there and to preach in several meetings and churches. Pastor Mike Veach will accompany me...please pray for some definite decisions to be made by the time I return to Romania on May 26.

Thanks for your concern and prayer for our ministries...
