SWAT REPORT # 169 12-12-11

2Ki 9:20 ...He came even unto them...
and the driving is like the driving of
Jehu the son of Nimshi;
(in the original Hebrew this reads
Jerry the son of Sutek)
for he driveth furiously.

record travel ministry

We have ministered in 38 churches, covering 15 states and 17,000 miles in 3 1/2 months...whew...I wonder if Guinness Book of Records would be interested. We are currently cooling our jets at our home church in Austin, TX and making final plans to fly to Philippines on Jan. 2, 2012.

We just finished a ministry tour which included Berea Bapt., Pastor Mike Napier, Knoxville, TN., Trinity Bapt., Pastor Dilbert Terry, Helenwood, TN., Bluegrass Pike Bapt. Pastor Travis Altop, Danville, KY., Stamper's Creek Historic Bapt., Pastor Mike Hoover, Orleans, IN., Cornerstone Historic Bapt., Pastor Keith Hoover, Union City, IN., New Covenant Bapt., Pastor Dan Cleghorn, Campbellsburg, IN., Bible Believer's Bapt., Pastor Richard Kipp, Macedonia, OH., Open Door Bapt., Pastor Bob Butterfield, North Canton, OH., Bible Believer's Bapt., Pastor Dave Bard, Newport, PA., Lighthouse Bible Bapt., Pastor Cory McCaw, Newburgh, NY., First Bible, Pastor Mike Veach, Staten Is., NY., Spring City Bapt., Pastor Scott Suttle, Spring City, VA.

The Lord has both blessed these good men and churches and has blessed us in order we might begin our new work in PI.

In Manhattan (note photo) I was given another opportunity to do what I like to do best. Bro. Mike Veach and I and our wives spent an evening touring the city and shooting, via rubber band, \$20 bill gospel tracts out on sidewalks, in delivery trucks, in Limo's, hitting sinners in the back of their heads to get their attention. I know how childish this must seem to all you cultured folk but I am just a child of God. It does not take a \$150 golf game to thrill me. Some think this is such a waste of time...WELL, while shooting tracts a man from Panama asked some questions...in short order Bro. Veach is seen in the photo showing him the

gospel and leading him and his wife in prayer for salvation. Praise the good Lord...His Word will not return void (Isa. 55).

urgent prayer request

Instead of our container being on the high seas in route to Philippines from Romania...it is still drowning in the sea of bureaucracy. It should have been on the way nearly four weeks ago...this is an urgent prayer request.

We pray we have seen our last snow. This photo taken on the morning of Dec. 8 at Spring City Bapt...my former partner Brent Logan's church. From now on we will send photos of jungle.

We are enjoying Mary Bethany for a couple weeks till Christmas. We wish all a very Merry Christmas and a rapturous New Year.

Preaching the gospel wherever we go...
