

As you can see from the photos it is winter time here.

I guess global warming will kick in some other year, but many of us have experienced a for-real, genuine winter. But, as you can see the ministry goes right on.

Our street meetings continue as usual. Our men still preach and our ladies still pass tracts to the many who are going right on their ways.

Here we are with a pretty good group on Sunday PM.

Just so that you can keep track of our aging I give you a recent photo of our family.

Notice the important attachments.

THE BEALE STREET BLITZ is upon us. In case anyone cares, I plan to be in attendance and will be preaching and teaching again. Ken Lansing, our host, has been faithful on the streets of Memphis for well over two decades. Come and be a part of this great witness to the party world

SUMMER BIBLE INSTITUTE...What a great opportunity to get a sure foundation of Bible in a short period of time and visit and serve on a mission field at the same time. The price is right too. Spread the word and let's make this once-in-a-lifetime opportunity pay off for many.

Eastern European Institute of the Bible

A Unique Opportunity
