## **TRAGEDY UPDATE**

After all the loss of lives (12 members of the church) and property (the entire church building and many homes and contents) the spirit in the church is very sweet and God-loving. Several families escaped death by climbing a coconut tree nearby and hanging on until help arrived. This flood happened in the middle of the night and the water rose to 11ft in one hour. The city continues to be in recovery. Our water must be hauled in from another source.

## **CHURCH IN OUR HOME**

WE ARE RICHLY BLESSED TO HAVE THE CHURCH USE OUR HOME FOR THIS EMERGENCY SITUATION. Enjoy the photos that show the church banner on our balcony. The general assembly in our living room...the choir and Pastor Ruben Sulapas ministering from our kitchen. The children's Sunday School classes on our lawn and in our carport.

## **THE LORD'S SPECIAL BLESSING**

In one of the photos of the general assembly there is a couple looking at the camera and the American man is smiling. This is Mike and Anna O'Donoghue.

The good Lord knows the end from the beginning and He put these "angels" in place to help us. They are out of Pete McKenzie's church in Las Vegas. They reside in Taiwan most of the time and they heard we were coming to get settled into the PI. They joined up with us (first time meeting) in Cebu, PI and traveled with us to Iligan and have worked ceaselessly with us for several days. Mike is a great handyman and I recommend him to all missionaries... that is...after we are finished with him. Anna is a great help and fellowship to Robin. Thank the good Lord for all those who have a "helps" ministry.

## FUTURE CHURCH

Many churches and individuals have given to the flood relief fund and have received, I'm certain, the blessings of the good Lord in doing so. The church would love to buy property directly adjoining our rented home and build again on better land. Pastor Ruben is pictured standing on part of this land along with another photo of the proposed property. This is very good land and out of the flood plain. With all monies given and the savings of the church they have about a third of the money needed to purchase this and to rebuild. This property would house the Church, the Bible Institute, the Printing ministry and possibly several homes for workers. SOOOOOOO...if there is anyone out there in Cyberland who is moved to make a major investment in the work of the Lord in this harvest field...this ministry can surely accommodate your gift.

We are safe, happy and reasonably comfortable. We covet your prayer as we now begin to form the foundation of our new ministry.

Gifts and Support for IBMP (Institute for Biblical Ministries) should be sent to
