

# BLESSING DIRECT FROM THE GOOD LORD

Gen 13:17 Arise, walk through the land in the length of it and in the breadth of it: for I will give it unto thee

SWAT REPORT #196

No, I am not claiming the material blessing of Abraham...but to us this is such a rich blessing and answer to prayer...we want you to rejoice with us.

In the first photo Ruby (one of our students) is standing in the middle of a strip of good, rich farmland that is ours to use for 3 years. PRAISE the good Lord. We have been praying for a way to help sustain and financially maintain the Bible Institute since we have 10 full-time students now and ALL their expenses are provided by our personal support.

If you know of any who wish to regularly support the ministry of the Bible Institute, believe me it would be welcome. This farm land has been "pawnd" to us for three years for \$240 and it is likely this contractual arrangement may be continued after the three year due date. Add to this blessing the fact that James (my right-hand partner, student and Mary's older brother) is a farmer and is excited about heading this opportunity. Then, the ministry had a close friend here who is a genuine scientist in agriculture and a specialist in organic farming. He will direct it all and he assures us that after our initial capital investment the farm will produce enough for all the students, staff and families and even to sell out for supplemental income. WOW...praise the good Lord.

We even have the workers (students) with which to accomplish all of this...we are excited! We will raise chickens and veggies, eat well, instruct the students in agriculture and help supplement the institute all in one effort. Please pray the Lord will bless this great open door. 1Ki 6:38 And in the... the eighth month, was the house finished throughout all the parts thereof, and according to all the fashion of it....All this in eight months...God specializes in the impossible. Let me give you An outside tour of the property.

In the first panorama look far right and see the brown reed house of the institute's secretary and student Christine. In the middle between the trees is Pastor Tago's (also a student) house still under construction. Slightly left is the guy's bunk house and library and farleft is the school and church auditorium. The second panorama photo is the pastor's house in middle and bunk house and library at left. They have their own kitchen and bathing facilities. Meet some of the students and pray for them by name and picture. You Have already met Ruby (23 years old) in Photo #1...next is Charlie (21) in Photo # 4. Richie (24 and Ruby's sister) is in photo # 5. Niel (29) is preaching for the first time in photo # 6. And finally James and wife Jonalyn in photo #7.

Lots more blessings and students await the next SWAT REPORT...stay tuned... Contact us via email [gstek@streetpreaching.com](mailto:gstek@streetpreaching.com) or Vonage phone At 850-208-3773...we are 12 hours AHEAD OF Eastern time.
