# HELP ON THE WAY????????????????????

The good Lord has opened many doors in the ministry here and I have been in need of competent, compatible and comparably passionate help.

Well, help MAY be on the way...Jed Carson came to look the field over and pray about lending that needed hand. Jed is from James Knox ministry and fit in very well with our family, the students, and the ministry. Jed preached several times on the street, to police, prison, boy's home, our church (we had a record attendance of 35) and our pastor's school during his visit. Jed also taught many classes in the Bible Institute. Jed has taught public school for the past eight years and specializes in teaching the blind children so he was especially excited to teach and preach in a public school classroom of 58 students with unlimited and unbridled liberty. Please pray that Jed can make a wise decision whether to join this ministry soon. See Photos "police", "high attendance" and "public school".

## IN CAPITOLA PARK

We have had many excellent street meetings in this park in recent weeks. In photo "how many girls love me"? Josh takes an excellent opportunity to minister to many young teens after his turn to preach. James does the same in photo "Jesus died for little boys too". Some saved every week.

## HEART SKIPPED A BEAT

Friday night I am driving to the school to teach...I am going down a mountain...as I round a serious curve I am see an excited crowd looking at a red car off the road smashed against a tree...but I am also see the front of the school multi-cab used to transport our students. It is on the same side of the road as the accident. My heart skips as I contemplate what all is involved in this scene. My students are out and milling with the rubber-neckers. I immediately stop...one of my students comes to me smiling...Richie says "It's ok...we were not involved but we are passing out chick tracts to all the crowd". Praise the Lord...see photo "by accident...hardly".

## "GO ANYWHERE...NOT FAST"
