

# REASONABLE = MANY... UNREASONABLE = FEW

2Th 3:1 Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you:  
 2Th 3:2 And that we may be delivered from unreasonable and wicked men: for all men have not faith.

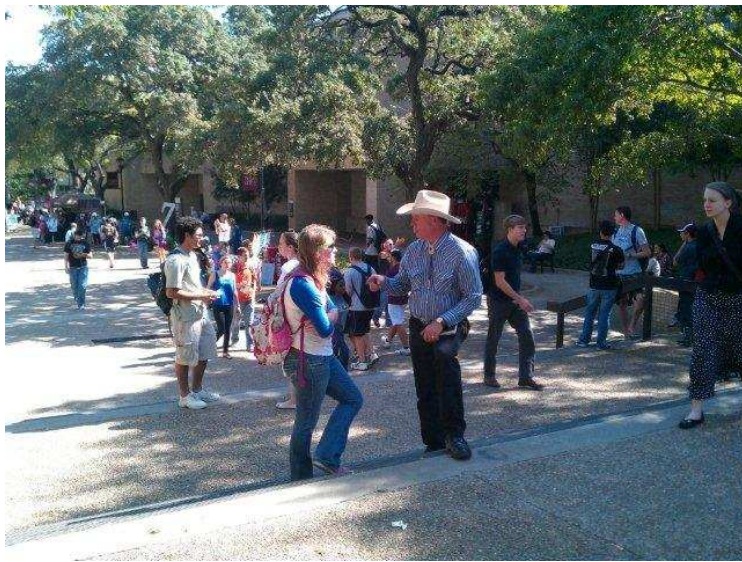

## AMERICA'S REASONABLY UNREASONABLE UNIVERSITY?...!

In an earlier SWAT REPORT I reported being with my home church, Capitol City Baptist and ministering on the campus of one of the largest universities in our country...the University of Texas at Austin. These brain-deaders were completely unreasonable which was no new revelation to any of us. But here is a report on Texas State University in San Marcos, TX. and to our great surprise and pleasure many, among these future leaders were comparatively respectful of the Lord's "different point of view". They took our tracts and they entered into profitable conversation. There were, as there always are, some who heckled, mocked and were used of their "father" to discourage our witness but there were more who either listened quietly or came and asked for more info on the subject of salvation by grace through faith. Notice the photo of Robin preaching or...rather giving a very compelling testimony for the Lord...they really listened, PTL.

I held my favorite banner with the twin towers on fire...and there were those who came by and shot off their mouths but there were some to whom the banner and my witness made them think. Thinking is a terribly painful process for a college student. One mocker saw the banner from a distance and, never bothering to read it, began shouting, "Iraq is not responsible for 911" in an impressive street-preacher's voice. Many joined him in his unreasonable chant. See the photo of one of our preachers Adam Simpson who preached with open arms. He told them how he had just returned from Iraq and was headed toward Afghanistan to offer his committed service to his country, even to death, in order to preserve the freedom for these college students to mock the truth. He went on to tell how our Lord Jesus Christ offered His faithful service to give us the liberty to live right before an Holy God. The students shut-up and listened as Adam made the gospel reasonable...Great!

Another photo shows Adam witnessing fervently to an on-campus Muslim. Others photos show more of our witness.

Then I had the opportunity of a lifetime to witness to our country's most un-lustrous figure...I gave him all I had and his unreasonable response was a stiff as cardboard...ha...ha...ha...ha...ha.

**UNREASONABLE BEALE ST**

Yes, I preached on Beale St. again. I always enjoy this opportunity to represent our Clean, Wholesome, Holy, Pure and Righteous Saviour, the Lord Jesus Christ. These partiers are completely unreasonable. They are squirming in the sewer of our country...they are drowning in the dung of this world...their cacophony is coquettish (oh, don't be Webster-phobic)...their frolic is forlorn...and their fun is faint...when presented with a rope and ladder out of their slit trench...**THEY ARE UNREASONABLE!** Faithful servant, Ken Lansing has been holding this rope and ladder now for more than a third of a century.

All this makes me strong against sin and makes me cling to the cleanliness of our redeemer...Praise the good Lord.

**OUR CONTAINER IS READY**

All is ready on the shipping of our container from Romania to PI. It should be lifted onto a truck this week and soon onto a ship and not too long after to be dropped in Iligan City. Our tickets to PI were purchased while we were still in Romania...we fly out on Jan. 2.

Our meetings have been profitable in many ways...we have 10 meetings to go throughout the NW of USA and then we plunge into our new ministry.

Thanks for your faithful support both in prayer and finance. Every step the good Lord has put before us is fulfilled to this moment and we have every steadfast hope that He will bring our vision to fruition.
