

# HAVING FUN IN THE MINISTRY

*Neh. 8:10 Then he said unto them, Go your way, eat the fat, and drink the sweet, and send portions unto them for whom nothing is prepared: for this day is holy unto our Lord: neither be ye sorry; for the joy of the LORD is your strength.*

If there exists today those who are truly and faithfully suffering for the Lord then I will share the burden of their suffering with them and will weep with them as the Bible instructs us to. But the same Bible says to rejoice with them that rejoice and today I am on the side of rejoicing.

I taught in my book (free online [www.streetpreaching.com](http://www.streetpreaching.com)) "THE MINISTRY" that the minister of the Lord desperately needs to find something in or about their ministry where they can derive pleasure, joy, and actual fun. Those who cannot find these in the ministry will not remain in the ministry very long. Our present day supplies many examples of those who quit because they were not enjoying the ministry. No one wants a job that he hates or endures, neither will they do their best under such circumstances. Here are actual photos of folks ranging in age from 8-74 having a great, fun time serving the Lord in public ministry. Think of what value it must be for an eight year old or younger watching their teen aged peers having fun serving the Lord. Or for the teens watching those 20 and above truly enjoying serving the Lord. Who would not desire that taking place in their ministry?

## THIS IS SPIRITUAL MEALS ON WHEELS

Notice Jonalyn offering a very famous person (Jolibee) a gospel tract...look next he took it...Praise the Lord...someone came by right after that and Jolibee offered it to him and he took it...PTL.

Notice April (14 years old) is ready to throw a chick tract inside the truck window ...then notice the tract in mid-air...and finally welcomed on the front seat.

Notice the old man commanding a motor cycle to take a tract while passing...oops missed...oh, they stopped and took it...try any of these in the home of the liberals (USA) and land of the fruitcakes (nearly all the rest of the world).

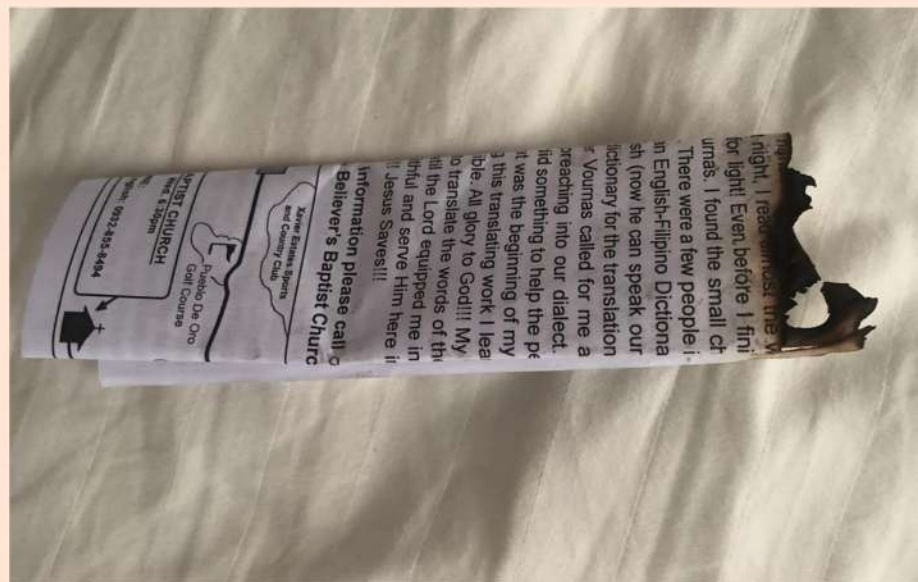

Notice two eight year olds boys. Now look close between them and you will see a man looking directly at you. Jeffery, on the left, spent nearly 20 minutes witnessing to him while on a street meeting and passing tracts the whole time.

I didn't know what Jeff was talking to him about, but found out later, (Jesus). Glory!!! All of these enjoyed themselves more than any worldly party or artificial fun-stimulator.

**A NEW THING...  
NOT A NEW THING**

One man, who was NOT having any fun took a tract and then stood right in front of me and proceeded to light it on fire and then dropped it in the gutter. I even enjoyed contending with him for the next many minutes. He never said a word to me but he endured the rebuke and I enjoyed the contending. I told him I had come 12,000 miles to deliver a love letter to him from his Creator. And he burned it. I told him he would see the rerun of this incident. This is a first time event in Philippines for me, but happens several times a day to my colleagues preaching publicly in USA and Europe.

Having more fun than a servant of the Lord should be allowed to have.
