

We had a nine week SS series on the tabernacle. Each class had to build their own replica. It culminated this past Sunday with a special visitor (Moses) explaining a life-size ark of the covenant and contents and then feeding all attending "real" manna. It was a hit SS class. They wanted seconds on the manna.

GUESTS FROM HOME

We love when good friends love us enough to travel half-way around the world to visit us. This month an "acquaintance" whom we served with in Romania, Paul Pierucki, came for a couple weeks. Paul is a multi-talented minister of Jesus Christ. He is a great carpenter, plumber, electrician, general fix-it man, animal balloon blower, preacher, teacher and omelette maker. Paul was a giant blessing to the ministry here and to us personally. He came as an acquaintance...he left as a close friend. Thanks Paul.

Joy Dunbar, though she is young is an old friend. We go back 31+ years with her parents. Dave pastors in Auburn, NY. Joy came and helped us start our Christian day school about 5 years ago. We now have a smoothly operating school of 70+ kids and much of the thanks is credited to Joy. Paul and Joy were here for the same two weeks and both added to our ministry...PTL.

RAISING HOPE ON THE DAY OF THE DEAD

1Th_4:13 But I would not have you to be ignorant, brethren, concerning them which are asleep, that ye sorrow not, even as others which have no hope. We joyfully announced how to have hope to many in the cemetery who have no hope. The day of the dead is a big celebration day here and provides ample opportunity to reach people without hope. The relatives of the little remembered dead are at their ancestor's tomb weeding, painting and leaving half bottles of Tanduay (Rum), three cigarettes and a piece of candy on top of the grave. I'm sure great, great grampa loves this day.

FAMILY DAY FOR THE SCHOOL

Few parents miss Family Day. This is a once a year gathering of the families represented in our day school and is filled with food, fun, families and, yes, preaching. All done on the grounds of a very nice beachside facility we rent from Word of Life.

PERSONAL...

We are all well, happy, busy, excited and loving His appearing. Thanks for your interest in our ministry.

Gerald Sutek and the SWAT TEAM for Christ
